

Cloud Computing Questions? We've Got You Covered.

What is cloud computing and why should I care?

What can I put in the cloud today to save money?

How do I connect my employees in the cloud?

Could people in my company use cloud computing without approval?

What are some things that my company needs to do today to prepare for cloud computing?

Join **Bob Nash, Vice-President and CTO, SyCom Technologies** and **CISSP Joshua Cole of Assura Consulting** as they address some practical questions about cloud computing.
